Unlocking the Reader in Every Child

by SUSAN ELKIN

THE book of practical ideas for teaching reading

ISBN: 9781841679709

Price: £19.99 232 pages

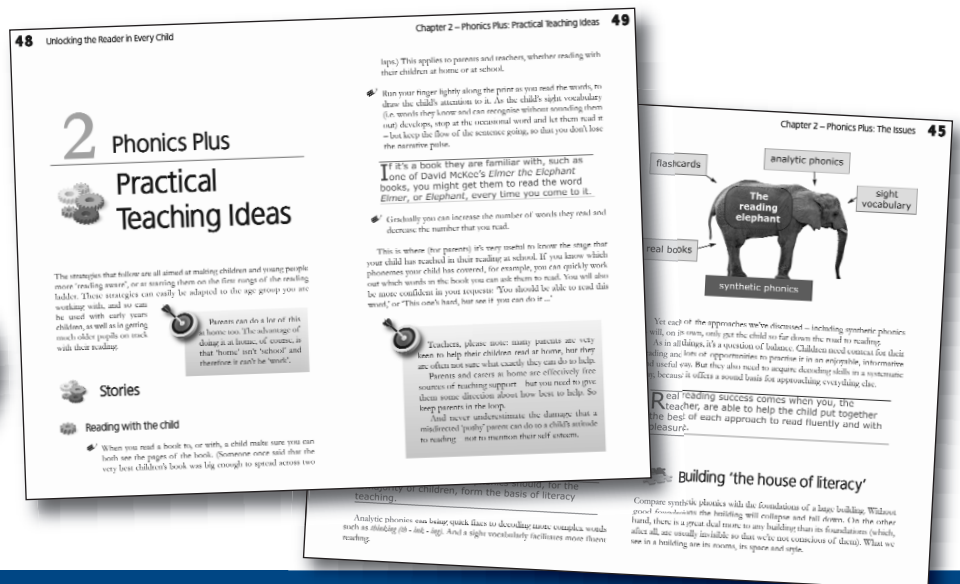

Susan Elkin is an education journalist, author and former secondary school English teacher. She has worked for many years to promote and develop pupils' reading at all levels.

Unlocking the Reader in Every Child

by Susan Elkin

A book packed with ideas for tackling age-old topics in new ways:

- It's a basic, quick-to-read guide to teaching reading, drawing on best practice and avoiding 'here today, gone tomorrow' fashions.
- It's a toolkit. Each section contains practical activities, games and 'try-this' ideas to help develop reading skills and overcome obstacles, whether at home or in the classroom.
- It contains a wealth of games and activities to:
 - build phonological awareness
 - turn decoders into real readers
 - help strugglers
 - overcome reluctance to read
 - harness visual literacy and children's passions
 - meet individual needs (including children with SpLD)
 - achieve literacy outcomes without even teaching 'literacy'.
- It includes reading suggestions to support the ideas in each section.

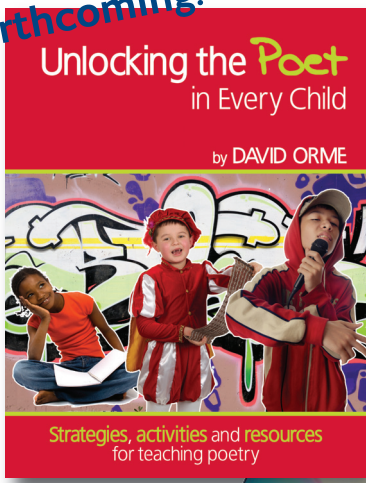

The UK's award-winning publisher of books for reluctant and struggling readers turns the spotlight on supporting teachers to succeed.

Unlocking the Poet in Every Child

by **David Orme**

David Orme has nearly 25 years experience of teaching poetry – both in the classroom and in workshops around the country. Now he distills that amazing wealth of experience into over 200 pages of tried and tested ideas and resources.

Equally applicable to primary and secondary (and even to adult learning), the book includes:

- strategies for teaching poetry
- 60 poetry activities to implement in the classroom
- an anthology of poems (arranged by type and by topic, all written by the author) which can be used to support poetry in the classroom
- a CD-ROM containing the activities and the anthology, so that teachers can re-use them in the classroom with minimal effort and preparation time.
