

Trailblazers

David and Helen Orme

Interest age 8 – 14 years | Reading age 6 – 7 years

Now with 36 titles, covering topics kids just love to read about! Trailblazers are big colour, bite-size books that are both appealing and accessible to reluctant and struggling readers. A fascinating get-the-facts section is followed by a beautifully illustrated story which appears on two parallel ability levels.

“ The choice of topics and content appeals to many. Boys in particular prefer street-credible non-fiction and are drawn to the visual information. The fiction story is an unexpected bonus and a great way to encourage further reading. ” Victoria Crivelli, Worcestershire Learning Support Team

Inside Trailblazers

- ▶ Introduces simple non-fiction conventions.
- ▶ Follows curriculum requirements for differentiating text using labels and headings.
- ▶ Beautifully illustrated in a range of mature and contemporary styles.
- ▶ Story appears on two parallel ability levels – a simple text, opposite an illustrated 'speech bubble' version – allowing access for the poorest readers and ideal for 'buddy' reading sessions.
- ▶ Colourful, attention-grabbing layouts and varied formats.

The Trailblazers Workbooks

The Trailblazers reading books are all supported by workbooks containing worksheets specific to each title, as well as detailed teacher's notes. The workbook tasks are varied throughout, to allow a degree of progression as they are used.
