

Reading Stars Phonics

October 2019

Advanced Information

Readership

Children aged 5 - 7 years learning to read using a structured phonics programme.

These 17 **Reading Stars Phonics** Level 1 readers, together with the 6 readers already published at this level, offer a complete programme of reading books to support phonics at Phase 2 of Letters and Sounds.

These books are fully decodable, containing only the letters and sounds met at this level of Letters and Sounds, together with the high-frequency sounds introduced at this level.

Each book focuses on just a few phonemes or high frequency words so that, taken as a whole, the books offer a complete structured approach to this level.

Beautifully illustrated in full colour, these books are – unlike many phonics readers – designed to offer rewarding reads, giving children enjoyable early experiences of reading, avoiding the dreary ‘phonics-by-rote’ approach taken elsewhere.

Selling Points

- * Phonics readers covering the letters, sounds and high frequency words introduced in Letters and Sounds Phase 2, with no additional ‘tricky’ words.
- * Each book focus on a set of words/ sounds, giving a structured approach.
- * Attractive, bright and colourful, beautifully illustrated reads.
- * Also available as ebooks, as well as in library and school packs.
- * From a widely-acclaimed, award-winning publisher of books designed to develop reading skills.

The Authors

Jill Atkins and Stephen Rickard are experienced authors of phonics reading books for children at the early stages of learning to read.
