Advanced Information

### Interest Age

Ages 7 to adult.

Reading age of the text: 9 - 10 years.

Passionate, decisive and inspirational – Sarina Wiegman is one of the best football managers in the history of women's football.

Discover her story – and what truly goes on in the changing rooms, training grounds and boardrooms – in this fast-moving fictionalised biography.

This book is part of Tales from the Touchline, an offshoot from Ransom's popular Tales from the Pitch series, and the first on a female manager.

In this series, the author reveals the inspiring journey of a game-changing manager, in a fresh, pundit-like voice.

Along the way, fans will meet some of the biggest personalities in the game, relive the drama of exciting matches, and also discover the very human stories behind the managers they watch on their screens week after week.

At only 128 pages, these books have been specially written and designed to make them ideal reads for reluctant and dyslexic readers.

### The Author

Written by members of the Ransom team under the pseudonym Robin Adams. The team includes passionate football fans who seek to provide an accurate representation of the players' and managers' lives and careers.
